

# Give Creatively

The Kentucky Arts Council invites you to give creatively this Holiday Season with unique items made by artists in our directory programs. These pages feature gifts lovingly made with care and skill. The excellence of their work qualified these 22 artists for our directories. You can learn more about them and how to purchase their work and that of over 300 others by visiting <http://bit.ly/KACartistdirectories>. To see more handmade work by Kentucky artisans visit Kentucky Crafted: The Market on March 3-4, 2012, at the Lexington Center.
